FOR IT PROFESSIONALS

FOR IT EMPLOYERS

WHAT WE ARE

Established for more than a decade, Milestone IT offers new and exciting solutions within the IT resourcing and contracting sector allowing our business to deliver the very best IT contracting capability to leading businesses and organisations.

Milestone IT is a specialist IT contracting firm that works with some of the country's best companies and organisations. We understand IT and as such are well placed to aid our consultants to get the best engagements with the best clients, time after time.

WHAT WE DO

It costs nothing to register and use the services provided by Milestone IT. Our advanced assessment tools allow us to provide our clients with the highest quality of IT recruitment capability. From psychometric tests to online skype interviews – Milestone IT does it better than our competitors and ensures you secure the best resources.

Our systems are designed to maximize the possibility of our contractors securing the best engagements. We will provide you with everything you need to get going. It's as simple as logging in and creating a profile.

HOW WE DO IT

Our system is designed to deliver the very best IT professionals in a manner unmatched by any other organisation. Furthermore, we guarantee success to our clients by offering a two-week warranty period, meaning if our clients are not satisfied with our people, we will cover the cost at no obligation and make it right.

Milestone IT utilises the newest and freshest cutting-edge technology to aid us, and you in securing the best engagements.
